WHAT HAPPENED?

The EU Home Secretaries have decided on more gun control and restrictions for law-abiding citizens. Only the European Parliament can stop this threat.

WHO IS THE TARGET?

Sports shooters, hunters, collectors, black powder enthusiasts, salute gun shooters and owners of alarm/signalling guns and deactivated firearms. Basically every second EU citizen!

WHAT ARE THE CONSEQUENCES?

Ban of semiautomatic handguns – also for hunters

Ban of semiautomatic rifles

Ban of magazines holding more than 10/20 rounds

Ban of firearms trade in journals or online

Registration of muzzleloaders, alarm/signalling guns and deactivated firearms

Mandatory medical examinations every five years
